INTRODUCTION

The circular route goes Bellever Forest car park towards Lakehead Hill, past Bellever Tor, Laughter Tor, and then back to Bellever.

REQUIREMENTS FOR THE WALK

Suggested Equipment: Suitable equipment for a few hours on the moor, bearing in mind the type of conditions expected during this part of the year. You should have at least a map, compass, food and fluids, whistle, waterproofs and a hat, gloves and suitable footwear.

Skills: Due to the fact that some of the walk is on open moor, it would be beneficial if one of the team has some basic navigation skills, but a written route description will also be provided.

Timings: The walk will start at 0900 hours and no walkers will be allowed to start after 1000. The cut off time for the finish will be 1600.

Preparation of Own Route: The route will start and finish at Bellever Forest car park, where there are toilet facilities. It costs £2 to park a car there for the duration of the walk. Grid references will be given for each of the checkpoints that are to be visited, where there will be some stamps to collect. The aim of the walk is to visit all checkpoints, mark the cards, then return to Bellever Forest car park.

The Map used for the information and preparation of this walk is Ordnance Survey Outdoor Leisure Number 28, Map of Dartmoor North & South, 1:25,000.
